ESOL EXAMINATIONS

THE QUALIFICATION

City & Guilds ESOL examinations are recognised all over the world as a formal qualification in the English Language. They may be used to show proficiency in English to a school, university or employer. They prove a student's proficiency in Reading, Writing, Use of English and Listening.

EXAMINATION SESSIONS

The examinations held at St Edmund's College every summer are taken on a voluntary basis by any student who is assessed as ready to attempt a particular level. We run short courses in the week of the examination to prepare students. As you will notice our students are qualifying at a very high level of English.

WHY CHOOSE THESE EXAMINATIONS?

We are pleased to be an examination centre for City & Guilds ESOL examinations. These exams are user-friendly and have a junior counterpart. They fit in well with our summer school course design. We are proud to provide this opportunity for summer school students. We hope to offer them a positive experience of public examinations which will give them confidence for the future. Examination fees are paid by the College.

RESULTS

Results are received in approximately three weeks and certificates are posted out to successful candidates, the results are recorded overleaf.

Well done to everyone who entered this summer. We hope you will come back again to build on your success.

Caroline M. Hugo. Cert Ed, Dip RSA
DIRECTOR
